Dear Mr. Carlucci:

I was delighted to learn from our Program Chairman, Mr. Walter G. Stoneman, that you have agreed to address the Tucson Committee on Foreign Relations on the evening of November 18. I understand that you are already acquainted with the general nature of the various local Committees on Foreign Relations. Like the Council on Foreign Relations, the Tucson Committee follows a policy of strict non-attribution with regard to the remarks of our speakers. However, if you would care to meet separately with representatives of the Tucson news media, we would be pleased to make the necessary arrangements.

If your time permits, we would also like to extend the hospitality of our city with respect to any local calls, sight-seeing or recreational activities that might appeal to you. We understand that your lodging is being arranged by your office, but would be pleased to assist in any way we can. Please let us know your planned time of arrival so that we can meet you at the airport.

Our membership consists of about 100 community leaders from all walks of life, and includes several retired military and foreign service officers. Our normal meeting attendance is about 50. We meet at the Old Pueblo Club atop the Home Federal Building at 32 North Stone Avenue. Our social hour begins at 6:00 p.m., followed by dinner at 7:00 p.m. and the evening's presentation at 8:00 o'clock. We

suggest about a half-hour of prepared remarks to be followed by about 45 minutes of questions and answers.

The resume of possible topics that might be covered in your remarks that was sent by Ms. Mary Ellen Enright of your Public Affairs Office to Mr. Stoneman looks fine to us. We have taken the liberty of announcing to our members that the title of your presentation will be "Intelligence in Support of Foreign Policy in a Free Society".

Please let us know if any way we can be of service to you in connection with your visit to Tucson.

Sincerely yours,
